

MouseAdventure

A crack team of expert quest writers create most of the MouseAdventure puzzles, but Goofy always wants to help out. We sent Goofy to Disneyland and Walt Disney World's Magic Kingdom to take some photos of Main Street for us, but when he sent the photos, they got all mixed up. Can you help him sort this all out?

Each photo was either taken in Disneyland or the Magic Kingdom—your goal is to determine which. (*Hint: this quest can be solved at either park—just determine if the photo could possibly have been taken in the park you're at.*)

This is just a taste of the fun that's waiting for you at our first ever MouseAdventure in Walt Disney World. Are you game? Register today at mouseadventure.com!
