

MouseAdventure

MousePlanet's Screen ReViews column features nearly 100 movie reviews by Alex Stroup and a few guest columnists. We've included photos of a dozen characters from these films, along with a clue to help you identify the movie or character.

Your goal is to identify each character's name, and then use your answers to solve a word search. The letters remaining

in the word search, when read in order, will reveal your final question. Unless otherwise stated in the clue, use only the character's first name, as given in each movie review.

This is just a taste of the fun that's waiting for you at our first ever MouseAdventure in Walt Disney World. Are you game? Register today at mouseadventure.com!
