

MouseAdventure

Since joining Team MousePlanet and participating in your very first Disney distance race, your friends say you've become just a little...obsessive.

A quick peek at your race calendar for the next few months shows that you are registered for the Walt Disney World endurance events listed below.

While you're wearing out your running shoes, your friends will be in the theme parks, participating in a little endurance challenge of their own on the Walt Disney World Railroad.

Total up the number of miles you will run in all of your events combined (*you should only count the "trek" portion of the Expedition Everest Challenge*), and then determine how many complete circuits of the Magic Kingdom your friends will need to make to equal your mileage.

This is just a taste of the fun that's waiting for you at our first ever MouseAdventure in Walt Disney World. Are you game? Register today at mouseadventure.com!
