With so many places to stay, so many things going on all year long and so many different ticket options, planning a trip to the Walt Disney Resort can be tricky. Mickey, Minnie, Donald, Goofy and Pluto all have week long trips planned to the Walt Disney World Resort over the next 12 months.

Using the data below, can you tell us who is going in June, who is staying at Fort Wilderness and who is using a base ticket + no

expiration? Be careful, some of the statements may have more than one possible correct answer, but only one combination of answers will work.

This is just a taste of the fun that's waiting for you at our first ever MouseAdventure in Walt Disney World. Are you game? Register today at mouseadventure.com!

- Goofy will redeem Starwood Rewards Points during this stay.
- Pluto only visits one park each day.
- Goofy has a short attention span, and will spend his mornings at one park, and afternoons at another.
- Minnie requires a hotel with a spa.
- Huey, Dewey & Louie are really looking forward to watching Uncle Scrooge run the half-marathon.
- Minnie is bringing Daisy for a "girls weekend". They're looking forward to seeing the special topiaries during the Flower & Garden Festival.
- Being ducks, Donald's family will spend quite a lot of time at the water parks.
- Mickey will participate in the final Race for the Taste event during his trip.
- Pluto has never seen it snow, so "Mickey's Very Merry Christmas Party" is on his must-do list.
- Mickey's admission ticket was the most expensive.
- Donald is bringing Huey, Dewey & Louie, plus Uncle Scrooge to help babysit. He'll need a place that will sleep the whole family.
- Pluto (being a dog) loves to swim, so he picked the resort with the most pools.
- Mickey will stay at his DVC home resort.
